EDUCATION

Wenzhou Kean University

Michael Graves College | Art & Architecture 2017.9-2021.6

- GPA:3.177

WORK EXPERIENCES

Lucheng Engineering Quality Supervision

Internship | 2019.6-2019.8

I just work in this department as a internship. During my work, I learn some regulations about the building quality. Also, I learn the process to a project from design to the completion.

CAMPUS EXPERIENCES

Student Research Day

Lab | 2019-2020

In 2019, during the Student Research Day in WKU, I reported my design for the Sanyang Wetland. In 2020, I joined the group research as a deeper study for Wenrui Tang River.

Dapeng Jiaoyu

CAD | 2018.9

I join a study in the Dapeng Education. During this course, I designed a list of plans for apartment. I learned how to design plan of electricity, water decoration, and others.
